FACIALS

express pick me up \$49

Ideal for those on the go and wanting a quick pick me up facial treatment. It features a double cleanse, exfoliation, mask and daily moisturiser.

deluxe european facial \$80

Ideal for both men and women. Deep pore cleansing with brush machine exfoliation, vapour and extractions (optional). Then a luxurious face and décolletage massage. Finishing with a deep cleansing mask and daily skincare. A cleansing and refreshing experience.

rejuvenation facial \$115

This facial features a double cleanse, exfoliation and vapour. Extractions if required followed by a face and décolletage massage. A mask is applied to your skin requirement and then a multi vitamin power infusion boost, which includes soothing properties such as Aloe Vera and Green tea to soothe the skin.

aromatic facial \$100

This aromatherapy treatment incorporates a pressure point massage technique to relax your features and release tension using essential oils. The treatment balances the skin, restores radiance to your complexion and lifts the senses with a selection of aloe, lemon, orange, ginseng and green tea scents.

liftosome energy treatment \$100

This anti- ageing treatment restores radiance and vitality to the skin while firming, strengthening and lifting the features. After cleansing and exfoliation, enjoy a heavenly face, neck and shoulder massage. A rich serum high in concentration of Vitamins E, F, C is infused into the skin with a thermal mask.

beaute neuve \$95

This facial will help the skin to breathe again, revealing a layer of healthy new cells, through its double peeling function. Using fruit acids, the treatment begins with the Peel In gel that separates the dead skin cells from the living cells, followed by the Peel Out foam that exfoliates the skin to eliminate dead cells and thus stimulating cellular renewal. A Vitamin C mask completes the peeling effect, lightening brown spots and boosting radiance to the skin.

INTENSIVE FACIAL TREATMENTS

microdermabrasion \$110

An effective treatment in skin rejuvenating and resurfacing. Using organic micro crystals, it gently removes the first epidermal layer of dead skin and simultaneously stimulating the skin to produce fresh new skin cells and collagen and elastin. Perfect for uneven skin tones, pigmentation, fine lines and wrinkles and problematic skins. Also a highly recommended treatment prior to any photo rejuvenation treatments for best results.

hydradermie \$115

Guinot's signature facial treatment is deeply penetrating and aims to correct skin problems from the inside out. This advanced non invasive procedure penetrates active ingredients with specific gel serums for each individual beauty goal. Treatment features mild electrotherapy and gentle massage movements of rollers to help plant based active ingredients penetrate the skin. High frequency is used to heal and promote circulation and a customized mask is applied with a relaxing massage. Skin complexion is left balanced, healthy and glowing. Perfect for tired, dehydrated skin.

hollywood oxygen facial \$100

A favourite amongst the Hollywood A-listers, it's a non invasive treatment that targets fine lines, wrinkles and dramatically enhances overall hydration. It gives a complete workout for the skin using a sub-micronic delivery system to infuse vitamins, minerals and enzymes into the dermal layer. The skin texture is immediately hydrated and encouraging any breakouts to heal. Perfect for post Microdermabrasion, Chemical peel or any allergic reaction to products that require some TLC.

Oxyblast with facial \$35

glycolic peel \$59

Based on the proven action of fruit acids. This treatment accelerates skin renewal, leaving skin softer, smoother, clearer and younger looking. Unique benefits include reduction in scars, sun damage, fine lines, pigmentation and acne. A quick in and out treatment with visible results.

AHA/BHA Peel \$89

With the benefits of both Glycolic and Salicylic acid, this treatment has a stronger effect in skin renewal, scars, sun damage, fine lines, pigmentation and acne. It is also an anti-inflammatory and can help to improve photo damage and uneven textured skin.

Beauty 21's Signature Facial \$150

So your skin has broken out, having a hard day, month or is simply just not looking that crash hot. Or its needing a little more attention to nurse all those deep pimples and blackheads? Beauty 21 has created their own special treatment which takes the best bits out of all the facials. It features a double cleanse, exfoliation, mini Microdermabrasion, extractions, vapour throughout the facial, tailored mask and a serum infusion with the Hollywood touch. Sound good? Yeah it's pretty amazing cos you'll love the result. Recommended to be booked on a day/night with at least 24 hours of healing as we're digging everything out and you will love it! It's the ultimate workout for your skin!

lash art – eyelash extensions

Eyelash extensions are a particular art and require experience and patience for a perfect application with no clogging of glue, tangling or sticking together.

On your first visit, there is a consultation to meet the request of how you would like your lashes to look.

There are different sizes in length and width that you can choose from.

Lashes can remain for up to 6 – 8 weeks, and it is recommended that lashes be refilled every 2 -3 weeks to maintain beautiful, luscious lashes.

Lashes are made of synthetic and the glue is TGA approved.

4 week refill \$70 (1 hour 15 mins)

4 week refill \$100 (1 hour 30 mins)

lash removal \$30 (20 mins)

After 6 weeks, a full set is required.

ELECTROLYSIS / DIATHERMY

Progressive permanent hair removal using a method of thermolysis with only disposable probes.

Ideal for those who have light coloured hair which cannot be treated by IPL or Laser or simply exposed in an area where other modalities of hair removal are not applicable.

Diathermy is for the purpose of cauterising broken blood capillaries in the skin. Short pulses of heat are applied superficially to the root of the broken capillary effectively removing them. Regular sessions may be required for effective results.

Our therapists are highly skilled and have the highest qualifications for this particular type of treatment.
