### Intense Pulsed Light (IPL)

Using our Medical Grade Intense Pulsed light system to effectively treat and destroy hair follicles with heat.

A series of 6-8 treatments is recommended for best results. Consultation is required for personalised quotation and program. Packages are available.

### Reminder Service

We understand how busy life can be, so we will gladly send you an SMS reminder or a friendly quick call to confirm your appointment the day before to ensure you take the time out of your schedule to pamper and treat yourself.

### Cancellation Policy

We understand unplanned issues can come up and you may need to cancel your appointment. If this happens we respectfully ask for scheduled appointments to be cancelled within 48 hours. However, if you miss, cancel, or change your appointment with less than 48 hours notice, you will be charged 50% of your appointment fee. This policy is in place out of respect for our therapists and clients. Last minute notice or no notice at all prevents someone else from being able to schedule into that time slot.

### Payment

We accept cash, EFTPOS (Visa or Mastercard) and Zip Pay. Prices are subject to change without notice.

## Skin & Beauty Menu

Hidden away in the Northern suburb of Preston lay a little retreat called Beauty 21. Established in 1978, we have extensive knowledge and experience within the beauty industry, having provided countless treatments to many beautiful faces. Whilst we offer an array of services, we especially love our skin focused programs which help our clients achieve beautiful and glowing skin.

So whether it's for lashes, brows, peels or a massage - let our passionate and dedicated team of beauty angels work their magic on you.

# Corrective Skin Treatments

Healthy skin is always in so why not invest the time to look after the biggest organ of your body! We recommend booking an initial consultation with one of our skin specialists which gives you the opportunity to chat to us about your concerns so we can tailor a plan and get you started on your journey. Our \$50 skin consultation fee can be redeemed on treatments and products.

# Dermapen

A treatment that delivers results! Also known as skin needling, Dermapen treatments use a device to improve unwanted skin conditions. It works by causing the skin to undergo a wound healing response which results in skin stimulating and creating new collagen and elastin to effectively treat the following: scarring, acne, hyper pigmentation, fine lines and wrinkles, enlarged pores and uneven skin tone. Skin is immediately tightened, rejuvenated and glowing!

.....

## Dermapen face and neck \$350

## Dermapen face \$300

## Dermapen face and peel \$350

## Other body parts starting at \$150

All Dermapen needling treatments come with a complimentary Dermalux LED treatment which is performed before the needling session to prep the skin. Post treatment serums, mask and medical make up is applied.

# Dermalux

Dermalux LED Light therapy is a safe, non invasive treatment clinically proven to naturally stimulate skin to rejuvenate and resolve skin conditions. Skin conditions include acne, rosacea, eczema, dermatitis, psoriasis, pigmentation, fine lines and wrinkles and so much more.
